May 2, 1964 Vol. 4-17

A scene from "You Can't Take It With You" which was presented by the St. Albert on Sturgeon Players last weekend. The cast seemed to enjoy themselves almost as much as did the capacity audience. After this thoroughly enjoyable comedy we will be looking forward to

seeing the next presentation of the St. Albert on Sturgeon Players, in the Fall. In the picture above are: standing left (Cameron Ross, Ted Grisdale (partially hidden), Shirley Martin. Seated Audrey Leo-Wilson. Standing right George Soetaert and Anita Hunder.

Council Meeting April 27th.

Bookkeeping Machine Council decided to enter into a rental-purchase agreement for a Burroughes Bookkeeping Machine for use at the Town Office.

Hearings

Day Nursery (for little children) Mrs. Pauline Lambert's application to operate a Day Nursery at 63 Garden Cres. was approved by Council. The Town Welfare Officer mentioned that this nursery should not have more than 8 children due to the size of the house. The Fire Chief recommended some changes in the area of the furnace for safety. Councillor DeBruijn moved to accept Mrs. Lambert's application providing no complaints are received from residents in the neighborhood.

Temporary Nursery Centre (for trees and shrubs) Mr. Hunter's request to operate a temporary tree and shrub centre at 13 St. Anne St. was approved by Council in accordance with the recommenda-

tion of the Edmonton Regional Planning Commission. This means that Mr. Hunter must post a \$2,000 cash bond or some other equivalent security.

Temporary Nursery Centre (for bedding plants) Mr. Von Busse's application to operate a temporary bedding plant sale centre just west of the BA Service Station on Hwy. #2 was refused because retail sale is not allowed in a highway commercial area. Mr. Von Busse was advised to contact Mr. Gee and Mr. Roberts to find a proper place in the downtown area.

Councillor Dick Fowler thought it ridiculous that these little businesses had to have a \$2,000 cash bond for only 1½ months' operation. It was suggested that the wording be changed to a \$2,000 Performance Bond.

Bus Stop - Graham Blvd. Mr. Reason's application for a closer bus stop to the Graham Blvd district was tabled to allow Council to look into this matter. Mr. Gee, the Town's Senior Administrator, will make a report with further recommendations to Council.

Petition - Balmoral Dr. Residents A petition from Balmoral Drive residents

presented to Council asked for a rezoning of an industrial area located along Hwy. #2 (formerly Kai' Machine Shop, now owned by Neil Ross), into a residential area. The residents felt that this site is undesirable as an industrial area because it is so close to their residential area, and the sound and smell of the present construction outfit is not always pleasant. Council decided to investigate this matter for further discussion at the next Council meeting. The residents also asked Council to look into the land exchange of this property. They complained also that their turn circle in the back alley is no longer usable.

Balmoral Drive Lot Grades Mr. Chris Gates, resident of Lot 22, Balmoral Dr. complained that improper grading of his neighbor's lot has caused part of his lot to be flooded every year. He stated that he had approached the town many times and he now asked Council to solve this problem once and for all. He mentioned that the town had to pump his lot every year. He also complained that the town had written him a letter asking him if he was willing to pay \$300. for a new grading, which could solve his problem. Mr. Gates refused to pay this money as he said he is not responsible for this situation because his was the first house in that area. Council decided to put this into the hands of the Town Engineer who will report to Council at the next meeting. Council intends to resolve this problem as soon as possible.

Development By-Law #15/64 Council was unwilling to give a 3rd reading to Bylaw #15-64 which would authorize the town to go ahead with the development of land east of the Town Hall for residential area. The reason that Council is holding up this 3rd reading is that they want more information regarding the estimates for the cost of developing this land and also regarding the cost of the frontage feet. Council decided to invite Mr. Geo. Walker of Walker, Newby, the Town's Consulting Engineers, to give more detailed information as to why the estimates of 2 years ago for this land are just the same as for the present. Councillor DeBrujin mentioned that the cost of materials (cement, etc) and wages were increased by at least 10% over the past 2 years.

ST. ALBERT PUBLIC LIBRARY

The St. Albert Public Library is open the following days:
Tuesday 7 - 9 p.m.
Thursday 4 - 6 p.m.
Saturday 2 - 5 p.m.

TIPS FROM THE TOWN PARKS DEPT.

Trees and Shrub Plantation

- 1) The foil bag and wire tie should be removed from the tree before planting.
- 2) The tree roots should be kept moist at all times before planting.
- 3) The tree will make a quicker start and better growth if the root is soaked for 24 hours in fresh water prior to planting. The easiest method to accomplish this is to remove the tree from the bag and put it in a tub of water or open the top of the root bag and fill it with water. No fertilizers or food chemicals should be added to the water as they will harm the roots and cause the subsequent death of the tree.
- 4) Dig a generous sized hole when planting. Roots cramped into a small hole will retard the tree's growth.
- 5) If planting is in good loam soil, nothing needs to be added to the soil. If planting is in a very heavy clay, top soil should be used or the clay can be mixed with moistened peat moss. (Dry peat moss will take up the moisture from the soil and the tree roots.)
- 6) When planting the tree in the hole, set it so the crown is just below ground level. As the soil is shoveled around the roots, tramp it well so that it is quite firm. The reason for this is - loose soil will dry out rapidly. Firmly tramped soil ensures there are no air pockets around the roots and also ensures capillary action will take place to bring the moisture up from the sub-soil. Under no circumstances should fertilizer be added to the soil or placed near the roots, as it will burn the roots and the tree will die.
- 7) If the soil, where the tree is planted, has any tendency to be dry, after planting a garden hose should be left running slowly beside the tree to water it in well.
- 8) At the same time the tree is planted 1/3 of the top should be pruned back. This reduces the leaf area to be started by the roots and results in much quicker growth and also assures that the tree will make better growth during the growing season, than if it had not been pruned. An exception to this is the Birch family, which cannot stand severe pruning and also, pruning back in Birch will usually eliminate the central leader, which is so attractive in this species. In all varieties, other than Birch, the importance of pruning back 1/3 of the top cannot be overemphasized.
- 9) Following planting, care should be taken to ensure the tree never dries out. If the weather is hot and dry, a light sprinkling is insufficient to keep the tree roots moist, so during the hot weather, it is recommended that sprinkling be for a minimum of 4 hours duration to ensure adequate moisture penetration.

SAFETY ON THE ROAD

As traffic is increasing, it is becoming more and more important that our youth be informed at an early age regarding their future responsibilities. We are pleased that the Brother Anthony Circle of Columbian Squires in St. Albert are sponsoring a "Safety on the Road" night for youths and adults from 13 to 100. Three films will be shown by the Traffic Division of the City of Edmonton Police Department. These will give a realistic idea of what can happen on the road if the driver does not have a feeling of responsibility and if he doesn't know the rules and regulations for safe driving.

Cpl. Lyndon of our local R.C.M.P., will answer any questions regarding highway traffic and between films, there will be a free discussion period. We urge all our citizens from 13 to 100, drivers and learners, to attend this important "Safety on the Road" night. There is no admission fee. Place is St. Albert High School. Time is this Friday, May 1st, 7:30 p.m.

OVERLOADED WITH WORK

Since our new Council took office in 1962, Councillors and Mayor have been overloaded with work. There are not only the two regular council meetings per month, but on top of that, at least four special meetings. The Mayor and Councillors are also involved in the regular committee meetings, not to mention special committee meetings. Besides this, numerous times, they are consulted during the week for municipal matters of all kinds. This means in practice, that the Mayor and each Councillor has to attend on average of 3 to 4 meetings per week. Since Mayor and Councillors have their own businesses to attend to, one would ask how they can do their jobs properly with such an overloaded municipal governing program.

We have often heard complaints from Council members, and again at Monday's meeting, Councillor Shrobot said that it is impossible to attend all those meetings and do a proper job. We agree wholeheartedly with these lamentations because it is not only the number of meetings, but also the length of these meetings - often till 2 a.m.!

We are not surprised at this overload of work (although they expected less with the coming of the Senior Administrator) because the town development business in which Council is involved, is a full time job of its own. Council doesn't only govern the town but it is also a contracting company. We are convinced that the contracting part takes most of the time, which is not in the first place why they were elected. If the Town of St. Albert was being relieved financially by this contracting business, we could see some sense in it, but as we all know, we are getting involved in more serious troubles, most of them connected directly with town development.

We suggested a year ago, that the town should stop this town development and allow private development. That way most of our troubles could be solved. The recent troubles with St. Albert Development and Engineered Homes are a product of this contracting business. We can understand that the town would want to keep the water and sewer construction in their own hands because that is the utility business, but all other construction should be 100% private.

We wonder if Council couldn't review their policy regarding town development, not only for the sake of themselves, but also for the sake of the town.

REAL ESTATE & INSURANCE COUNSELLOR.

OUR REPUTATION IS YOUR SAFEGUARD

From Our Readers

Dear Sir,

St. Albert has one hotel. Would another one — larger and fully modern — be a white elephant?

Some members of our local Chamber of Commerce think it would be, judging by their response to a recent request that the Chamber support development of a million-dollar hotel project here.

At the Chamber's April 14th meeting, Industrial Development Committee chairman Gordon Parkes said proof that St. Albert needs a new class-A hotel should be a consideration of the developers and the local Chamber of Commerce should not give an opinion on the subject.

The support was asked by the developers to add strength to the necessary application to the liquor control board for a liquor license.

Other prominent citizens whose main interests are centred in the present local hotel were outspoken about the various reasons that another hotel would be a risky venture and the local hotel is sufficient for the town's requirements. I will not attempt to degrade the local hotel. Frankly, I like its friendly atmosphere and enjoy the association of its many good patrons.

However, according to the Chamber members' opinions the 8,500 residents of our town and the 20,000 people in the county of Sturgeon, plus the many thousands in adjacent areas are insufficient to support a large motor hotel. This is ridiculous!

The many amenities to be provided by the proposed new hotel here include: Class A rooms with bathrooms, wall to wall rugs. A swimming pool to be installed in the hotel grounds. A banquet room, beautiful restaurant, convention room, 10,000 square feet of furniture store and other areas for numerous retail outlets.

These things would be a boom to our town yet some local residents seem to think they would be a hindrance, rather than a tremendous help to all of us.

It is difficult to persuade any developer to come to St. Albert and spend a million dollars — and here we have local businessmen who want to turn down such a fabulous proposal as a new hotel. We cannot afford to be indifferent; nor can we afford to put any obstacle in the way of progress in our town. As citizens and taxpayers, it is most important that such an enterprise be encouraged and built.

A community such as ours can support any and all kinds of commercial and industrial businesses and we must do everything to encourage such ventures.

For any person or group of persons to neglect their duty in a case like this, is illogical and detrimental to the best interests of our town.

St. Albert needs this hotel as much as any other project of any kind.

It would create far-reaching advantages such as inducement of other large businesses to come and settle here.

We know that certain department stores are waiting for such a development to induce a greater influx of activity and population to our town in order that it would be worthwhile for them to settle here.

We need all this — ask your neighbor. All the details and approvals for this hotel have been completed except the approval of the Alberta Liquor Control Board. Our mayor and council approved it in principle; the Area has been approved by the Edmonton Regional Planning Commission and most of the proposed store space has been leased already. This simple motion of approval that could and SHOULD have been made by our local Chamber of Commerce would have been a reasonably strong factor in gaining the liquor board approval.

So let us hope that the Chamber, whose business it should be to aid and help in business development for our town, has not done anything to hurt a project that is needed desperately and soon.

United Church

The Hi-C is having a Rally this weekend
with guests from the Hi-C of Westlock,
Barrhead, Busby, Indian Residential
School and Winterburn. They will be
billetted in several local homes. During
the weekend they will participate in
workshops, discussion groups, will hear
several guest speakers, and will relax
with a party Friday night, and a dance
and hootenanny Saturday night.
For the first time in its 10 year his-
tory, St. Albert United Church will have
a regular ordained minister and a stud-
ent minister. Mr. Robert Thompson, B.Ed.
will assist Dr. Schwarz until October
with his pastoral responsibilities here
in St. Albert and also Winterburn.
At last week's Morning Service the fol-
lowing babies were baptized: Christine
Holly, daughter of Mr. & Mrs. R. F. Pol-
lard; Dawn Dianne and Michelle Anne,
daughters of Mr. & Mrs. G.F. Cooper;
Tara Elizabeth, daughter of Mr. & Mrs.
T. McKendry; Benjamin Joseph, son of Mr
& Mrs. G. H. Ainsley; Edward John Fitz-
gerald, son of Mr. & Mrs. A. Vandenbos.

served. Church School (gr. 3-9) 11 a.m.
SECOND ANNUAL CONCERT BY CHOIR

The St. Albert United Church Choir will
be presenting the second annual concert
of sacred choral music in Jun.. Addi-
tional voices are always welcome. We
particularly invite those who enjoy
singing, but who are unable to commit
themselves for a full year's work with
the choir. Interested singers should
plan to be at rehearsal this Thursday
at 8:15 p.m. in the Church. Further
information may be obtained by calling
Mrs. P. Upright at 594-6997.

ANGLICAN CHURCH

RESIDENT MINISTER FOR ST. MATTHEWS'
At a recent meeting of the vestry, final
approval was given to the arrangements

for leasing a residence for the Anglican priest in St. Albert. The present incumbent, the Rev. C. B. Dawkins, until now a resident of Edmonton, will be moving to 4 Sable Crescent at the beginning of May. This, with the recent erection of the parish, marks an important milestone in its development, and is indicative of the growth and consolidation which has taken place during the past year.

PRESBYTERIAN CHURCH

The Worship next Sunday will be conducted by Rev. Gordon MacWillie. Junior Choir practice will be held following the worship. There will be a short Congregational Meeting after the service on Sunday, May 3rd to consider the findings of the Board of Managers regarding purchase of land for a Church building site. The Interim Session has sanctioned the calling of this meeting.

House team. The staff volleyball games ended in a similar manner, whereas the boys volleyball contests were very closely fought even after the call went out that lunch was being served in the Home Ec room. Upon entering the Home Ec room, the sight of salads, casseroles, turkey, cabbage rolls and those desserts (flapjack pie and strawberry shortcake) immediately doubled whatever appetite anyone had. Happy chatter over lunch was followed by more chatter as students clambered into buses for a tour of St. Albert, which included the Mission, museum, the tombs of St. Albert's early leaders, a drive through the older section to the Grandin Park area and then back to Paul Kane for some friendly competition in that wonderful game of basketball. Again, the Paul Kane senior girls team had to concede to the skill of the Rocky Mountain House girls, but Paul Kane was on the winning side in a staff basketball contest which provided an interlude between girls and boys games. Finally the boys were on the floor to climax the day's events with a win for Paul Kane.

Both weekends, in Rocky, and at St. Albert were enjoyed by all who participated and we look forward to return visit next year.

ROCKY MOUNTAIN HOUSE STUDENTS EXCHANGE VISIT

Between 7 and 8 p.m. on Friday, April 17 students and staff from Rocky Mountain House were piling out of their cars and into Paul Kane School where they met their hosts before starting off a gala weekend by attending "You Can't Take It with You", performed by the St. Albert Sturgeon Players. After laughing their way through this comedy, Paul Kane and "Rocky" students enjoyed a record hop in the Paul Kane gym. Finally visitors departed with their hosts to billets in St. Albert homes. Everyone, well almost everyone, got back to the school next morning by 10 a.m. for the opener in the volleyball series. The Paul Kane girls, after a challenging two games, yielded to the Rocky Mountain

WORKSHOP

The Extension Department of the University of Alberta is presenting a workshop in Church Music and Organ Playing from June 8th to June 12th at All Saints' Cathedral, Edmonton. Instructors will be Miss Mildred Andrews, Chairman of the organ department of the University of Oklahoma and Richard S. Eaton, Head of the Music Division, University of Alberta.

At the conclusion of the workshop, Prof. Andrews will give a public organ recital at All Saints' Cathedral.

Applications for the workshop will be accepted until May 15th, 1964. Registration forms and further information may be obtained from the Department of Extension, University of Alberta, Edmonton

"OAKHILL DAY"

The St. Albert Legion is promoting the first Annual "Oakhill Day" by selling tickets for a Stock Car Race on May 9th, at Speedway Park. All proceeds are to go to the well known "Oakhill Boys Town" in Bon Accord. Tickets can be obtained at Jim Byrne's Men's Wear in Grandin Shopper's Park or from any St. Albert Legion member. The stock car drivers for this race are donating their time and skill.

The Party Line

This past week has been a busy one for many people in our community - namely those who were participating in this year's Edmonton Kiwanis Music Festival held at the Jubilee Auditorium.

Parents and music teachers are not to be forgotten in our congratulations to all participants, for it is their encouragement as well as patience, excellent instruction and training ability, that help achieve this goal.

Our community was well represented and we make special mention of the winners and offer the congratulations of the Gazette.

Cameron Ross - 1st - Male Concert Class and 1st - Male Operatic Class. Cameron is a pupil of Miss Catherine Wendel (Edmonton) and will continue his studies in London, England this summer.

Sherry Miller - 2nd - Piano 8 yrs and Under. Pupil of Mrs. Lillian Upright. Holly Nickerson - one of 5 finalists - Piano 12 yrs. and Under. Also a pupil of Mrs. Upright.

Margo Ostergard - 1st - Speech Art. Mrs. Carmen Delisle - winner of the Mezzo Soprano Class and 2nd place winner of the Female Concert Class. Mrs. Delisle who is a pupil of Edmonton vocal teacher, Mrs. Eileen Turner, is the mother of 3 pre-school children. Besides her singing, she is interested in painting and plays the piano. She is pursuing a career in opera singing and her showing in this year's festival shows her eagerness to achieve this aim. We hope we have not missed mention of any St. Albert winners - again to all participants, congratulations for the honor brought to our Town.

COMMUNITY CALENDAR

Friday, May 1st Ladies Auxiliary 2nd St. Albert Cubs and Scouts are holding a Bake Sale at Safeway. 3 p.m. Mothers who cannot deliver their baking to Safeway are asked to phone Sheila Willis 599-7496 or Mrs. Beaman at 599-6276 before noon Friday.

Saturday, May 2nd Brownie and Guide Cookie Day.

Monday, May 4th The Burning Bush Circle will meet at the home of Mrs. Jean Hostler, 16 Sunnyside Cres. Study #4 will be conducted by Mrs. W. Lowrie.

Tuesday, May 5th Brownie & Guide Mother & Daughter Banquet - Catholic Church Hall at 6:30 p.m. Tickets 90¢ per person, available from Brownies and Guides.

CLUB NOTES

Father Lacombe Chapter I.O.D.E. met on Monday, April 27th at the home of Mrs. G. Skinner. Regent, Mrs. V. Kirkpatrick and past Regent, Mrs. H. Hamburg recently attended the Provincial I.O.D.E. Annual Meeting in Calgary and reported to the Chapter their activities as local delegates. Mrs. Jewitt reported a successful canvas for the "Bouquets for Books". Flowers will be delivered Saturday, May 2nd. The Chapter voted to continue the candy concession at the Friday night Children's Film through out the month of May. After the closure of the business meeting a penny auction was held and lunch was served.

The Ladies Auxiliary to the 1st St. Albert Cubs and Scouts will hold their monthly meeting Thursday, April 30, 8 p.m. in the church hall. Guest speaker, Mr. B. Smart, will inform the mothers on the forthcoming summer camps. All mothers of cubs and scouts are cordially invited to attend this meeting.

SOCIAL NEWS

Mrs. Merle Vacirca (Cherchez la Femme), Amy, Frances and Paul returned on Sunday after a 2 month holiday visiting Mr. Vacirca's family in Rome, Italy.

A recent overnight guest at the home of Mr. & Mrs. Ken Riddell, 11 Salina Cres. was Mrs. Iona McMillan. Mrs. Riddell and Mrs. McMillan, classmate and graduates of the Royal Alexandra Hospital attended the hospital's Alumni reunion which began last week in Edmonton.

HINTS FOR HOME OWNERS

A house that is to be unoccupied for an extended summer holiday should be inspected carefully and precautions taken to guard against damages.

1. The refrigerator should be disconnected, defrosted, cleaned and door left open for airing.
2. Water, gas and electricity should be turned off.
3. Leave a key with the neighbor or at the police station so that entrance may be readily gained in case of an emergency.

Y.C.S. & HI-C COMBINE

The St. Albert Y.C.S. and Hi-C are having a Hootenanny and Dance on Saturday, May 2nd in the Community Hall. The Hootenanny, beginning at 8 p.m., features the Cellar Dwellers, Veronica Finnegan and Jimmy Klak. The dance will start at 10 p.m. and features the Apollo Band.

MEN'S FAST BALL

There will be a meeting and practise for Men's Fast Ball on Tuesday, May 5th at 6:30 p.m. in the Mission Park ball diamond.

ORGAN CONCERT

A resident of St. Albert, Hugh Bancroft, gave an organ recital at All Saints' Cathedral last Sunday evening. His program included works by Bach, Handel, Schroder, Mendelssohn, Liszt and one of his own compositions. Assisting artist was soprano Donna Gail Felberg.

LIONS NEWS

The first regular meeting in May will be Ladies Nite. This is under the capable chairmanship of Lion Gord Parkes, and you may be sure this will be an event long remembered.

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

Sunday Concert

On Sunday afternoon, May 3, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week the Trio di Trieste performs Trio in B flat major, Op. 99 by Schubert, and Variations in E flat major, Op. 44 by Beethoven. The artists who make up the Trio di Trieste are Dario De Rosa, piano, Renato Zanettovich, violin; and Libero Iana, violoncello.

Film Program Sunday, May 3 3 p.m.

Night Children The story of a case worker with the Children's Aid Society and the children she helps. The film shows how the Society follows through in the case of a little girl found wandering alone on the street at night.

Ships in the Ice Made up of three newsreel sequences, this film shows what ice can do in the St. Lawrence river to frustrate men and ships.

Runner Shows us Bruce Kidd, young Toron to long-distance runner, and winner of national and international honors. The commentary, written by W. H. Auden, analyses the act of running, rather than the personality of the athlete.

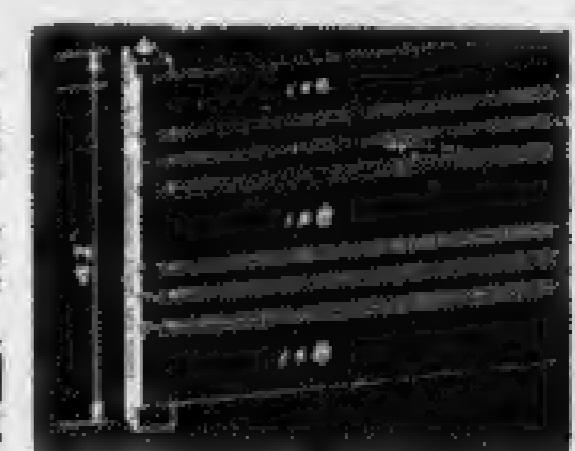

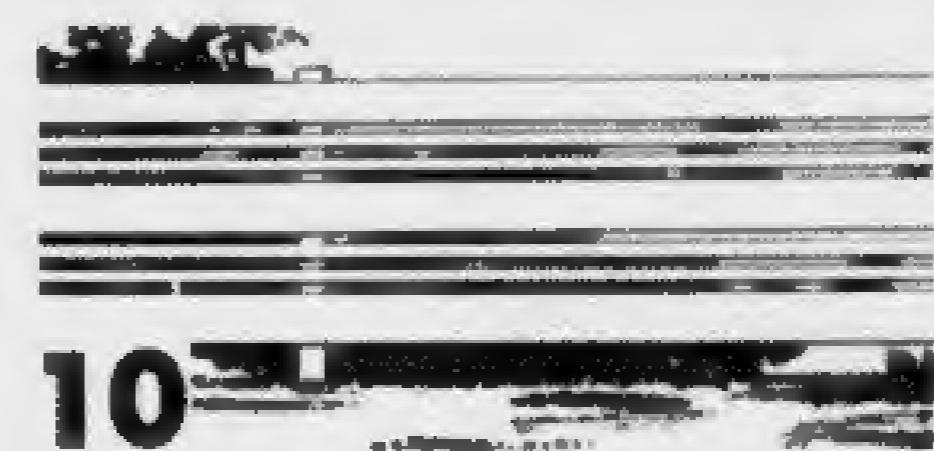

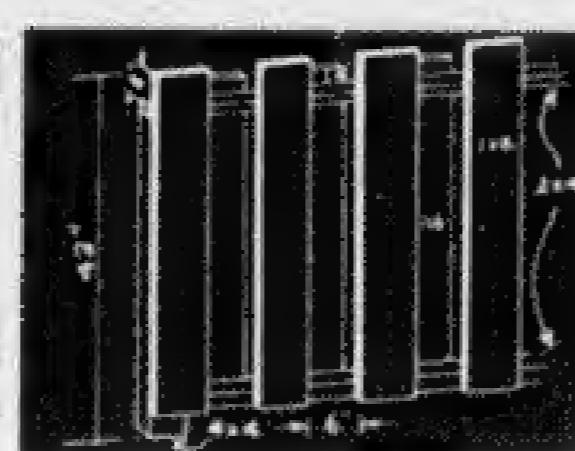

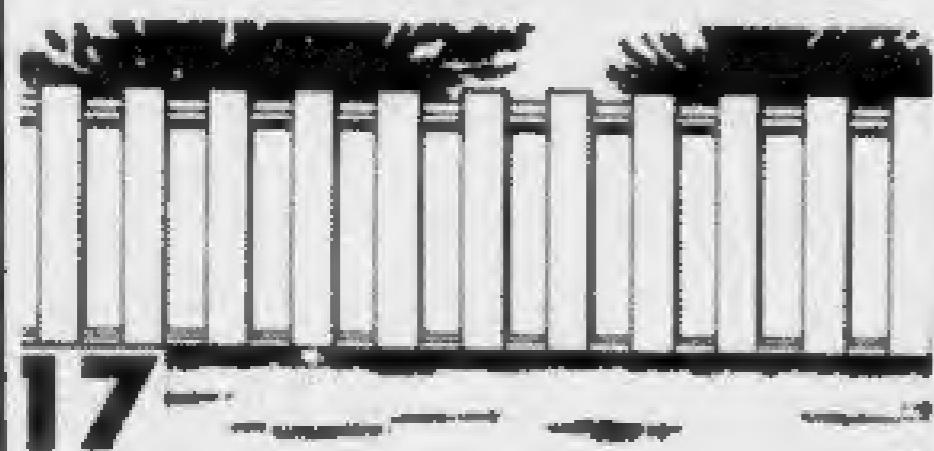

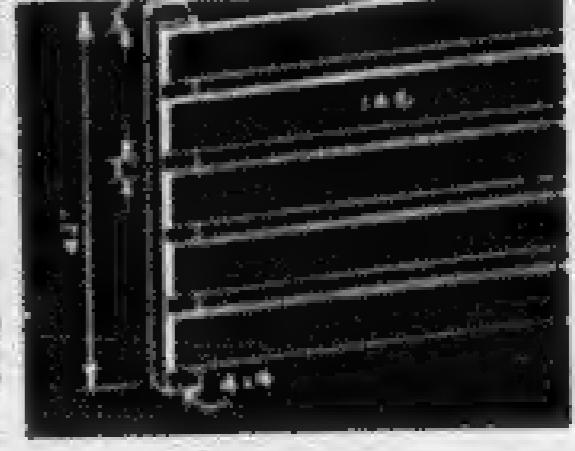

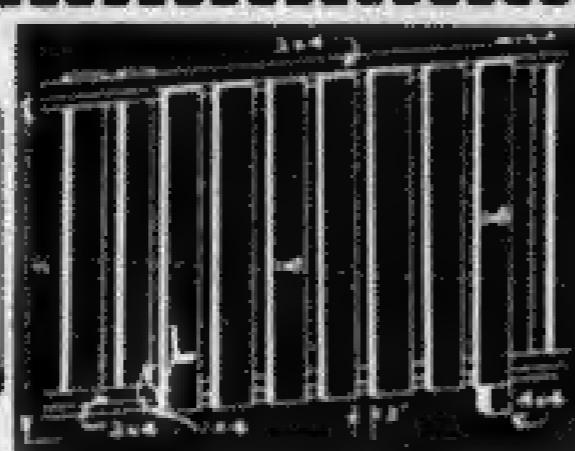

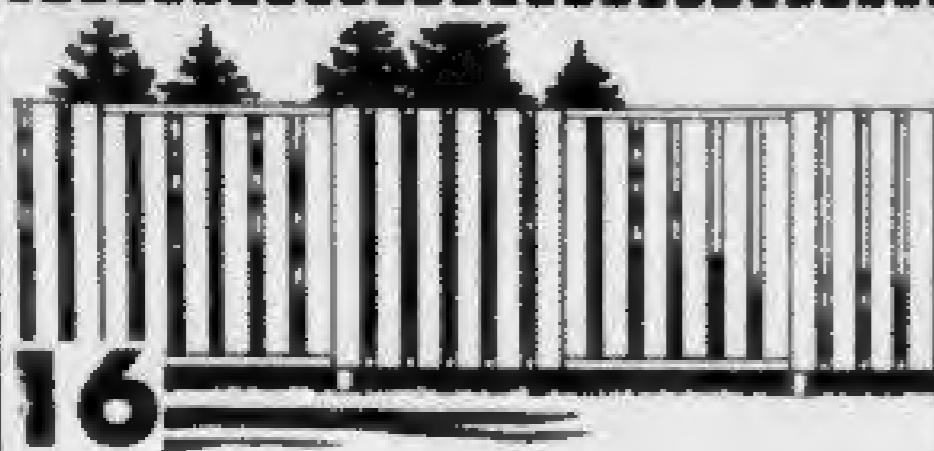

Unusual Artists We are shown Earl Bailey, a crippled artist, who has learned to paint by holding the brush in his teeth; the Montreal chefs who compete in the summer heat to see which one can carve a prize-winning ice sculpture; and hooking in wool, an ancient Acadian craft kept alive by Margaree Harbour.
